

DEALER ALERT

WATCH OUT FOR HUSSEIN DABAJA!

A man, identifying himself as Hussein Dabaja has struck again at a dealer in Western Ontario. He claims to own a dealership called Windsor Auto Exchange.

Neither Dabaja nor Windsor Auto Exchange are registered with OMVIC.

He purchases a vehicle and pays for it with a non-certified cheque. The cheque comes back NSF.

You can find a Dealer Alert about Dabaja that we sent to Members on June 16, after he had pulled the same stunt with several dealers, at www.ucda.org.

Police and OMVIC have been informed of the recent scam.

**When dealing with dealers or salespeople you are not familiar with,
insist on seeing a current OMVIC registration
or contact the UCDA at 1-800-268-2598.**
