**STATEMENT OF PROGRAM SERVICE ACCOMPLISHMENTS-PRIMARY EXEMPT PURPOSE  
STATEMENT A**

Freedom Alliance is an educational and charitable organization whose mission is to advance the American heritage of freedom. We do this by honoring and encouraging military service, defending the sovereignty of the United States, and promoting a strong national defense. Freedom Alliance's programmatic activities include:

**EXEMPT PURPOSE ACHIEVEMENTS  
STATEMENT B**

**1) Promoting and Defending American Sovereignty**

The United Nations and its related international institutions are building a bigger and stronger apparatus for international governance of policy issues that are the purview of nation states. They are implementing this policy of globalization with the help of sympathetic Americans. On the political, economic, and legal fronts, a consolidation of power is taking place at the international level. This was never envisioned by our Founding Fathers or enumerated in our Constitution.

Freedom Alliance is dedicated to exposing this effort and preventing any further erosion of our liberties and sovereignty to the United Nations and other globalist entities.

Freedom Alliance teaches the American public and opinion makers about these issues by hosting seminars and conferences; publishing commentaries in some of America's leading newspapers and Internet sites; posting educational materials to our web site at [www.freedomalliance.org](http://www.freedomalliance.org); and participating in the national debate by appearing on leading radio and television discussion programs.

With the help of many volunteers, who provided nearly 1600 hours to Freedom Alliance, 500,000 petitions, polls, and surveys were tallied and distributed to our elected and appointed officials, media, and UN officials.

**2) Freedom Alliance Military Leadership Academy**

The Freedom Alliance Military Leadership Academy inspires, educates and motivates young Americans to become positive, productive citizens and leaders in their communities and among their peers. In addition, through the incredible opportunity to meet and train with American soldiers, sailors, airmen and Marines, Academy students gain an appreciation for our Armed Forces. In this way, Freedom Alliance is inspiring the next generation of American leaders and developing stronger citizens. We do this because we believe that our defense of American sovereignty and our heritage of freedom for the present day means little if we don't equip the next generation to lead the nation that we will soon entrust to them.

Students who have participated in the Freedom Alliance Military Leadership Academy have gone on to attend leading college institutions such as the U.S. Military Academy at West Point; the U.S. Air Force Academy; and numerous university ROTC programs.

### **3) Support Our Troops Project**

Freedom Alliance believes that all Americans should show their appreciation to those who've been injured in the defense of this nation. Our soldiers, sailors, airmen and Marines risk their lives for our freedom and we have an obligation to support them when they return from combat.

Freedom Alliance has provided millions of dollars in grants, gifts and support to wounded and recuperating military personnel, troops deployed overseas, and the families of our Soldiers, Sailors, Airmen, Guardsmen and Marines. Freedom Alliance staff and Board members regularly visit wounded troops recovering in our military hospitals around the nation; host Troop Appreciation Dinners for those who wear the uniform and sponsor events that honor those who serve our country.

### **4) Freedom Alliance Scholarship Fund**

The Freedom Alliance Scholarship Fund honors the bravery and dedication exhibited by Americans in our Armed Forces who have sacrificed life or limb by providing educational scholarships to their children. In the most recent academic year, Freedom Alliance awarded scholarships to 105 students who have had a parent killed or permanently disabled in the line of duty. Through this program, Freedom Alliance has awarded more than \$1 million in college scholarships.
