STATEMENT OF PROGRAM SERVICE ACCOMPLISHMENTS – PRIMARY EXEMPT PURPOSE STATEMENT A

Freedom Alliance is an educational and charitable organization whose mission is to advance the American heritage of freedom by honoring and encouraging military service, defending the sovereignty of the United States, and promoting a strong national defense. Freedom Alliance conducts numerous program activities which include:

EXEMPT PURPOSE ACHIEVEMENTS STATEMENT B

1) Public Policy and Education

Freedom Alliance conducts research and offers analysis on public policy matters especially those issues which impact America's national sovereignty, national defense, foreign policy, American history and the role of government generally. Freedom Alliance educates the public on these matters through the publication of position papers, and newspaper columns, in addition to hosting seminars, discussions and debates. Often, these educational discussions take place through media such as the Internet, talk radio, television, newspapers, magazines, and other forms of communications.

2) Military Leadership Academy

Freedom Alliance's Military Leadership Academy is dedicated to developing the next generation of leaders. The program inspires, educates and motivates young Americans to become positive, productive citizens – leaders among their peers and in their communities. Students are introduced to military leaders and other positive role models, taught leadership skills, and encouraged to believe in their own potential.

The opportunity to meet, and train with, Soldiers, Sailors, Airmen and Marines, provides Academy students with an appreciation for our men and women in uniform and the work of the Armed Forces. It also reinforces the values of patriotism and civic duty. Throughout the Academy, students are taught our Core Values of Selfless Service, Teamwork, Courage, Dependability, Integrity, Responsibility and Respect.

We recognize the importance of preparing the next generation to lead the nation that we will soon entrust to them. Students who have participated in the Military Leadership Academy have gone on to attend leading college institutions such as the U.S. Military Academy at West Point; the U.S. Air Force Academy; and numerous university ROTC programs.

3) Support Our Troops

Freedom Alliance expresses our appreciation to all those who serve our country in uniform, especially those who have been wounded, through our Support Our Troops program.

Numerous activities in support of our troops and their families are conducted through the Support Our Troops program including Troop Appreciation Dinners which provide an evening of relaxation and fine dining for service members as an expression of thanks for their service to our country. Financial grants are provided to troops who have been wounded in Operation Iraqi Freedom or Operation Enduring Freedom and who are recuperating in military hospitals.

Gametime events are hosted regularly for service members recuperating at Walter Reed Army Medical Center to provide an afternoon of lunch and entertainment while enjoying sporting events on television. Gifts From Home packages are sent to deployed service members on a regular basis. Special

events and activities are planned throughout the year to support military personnel and their families, especially during the holidays. Freedom Alliance staff and Board members regularly visit wounded troops recovering in our military hospitals around the nation and provide gift cards and notes and letters of support sent to Freedom Alliance by caring Americans.

4) Freedom Alliance Scholarship Fund

The Freedom Alliance Scholarship Fund honors Americans in our armed forces who have sacrificed life or limb by providing college scholarships to their children. In addition to scholarships currently awarded, funds designated to the Scholarship Fund are being saved for future recipients.

Freedom Alliance scholarships help deserving students meet the rising costs of a college education, but in addition, each scholarship is a reminder to that student that the sacrifice of their parent will never be forgotten by a grateful nation.

STATEMENT OF SCHOLARSHIP QUALIFICATIONS
SCHEDULE A, PART III, LINE 3a

Freedom Alliance Scholarships

The Freedom Alliance Scholarship Fund provides college scholarships to the sons and daughters of American heroes, honoring the bravery and sacrifice of U.S. military personnel who have been killed or permanently disabled in an operational mission or training exercise.

Scholarships are awarded to students who are the dependent child of an active duty service member who was killed or permanently disabled (100% VA rating) as the result of an operational mission or training accident, or who is currently certified as POW or MIA. The applicant must be a senior in high school, a high school graduate, or enrolled in an institution of higher learning, including colleges, universities, or vocational schools.

Scholarship amounts vary based on a number of factors including other financial aid received by the student. Scholarship grants are paid directly to the school for the benefit of the student to assist with (including, but not limited to) tuition, fees, housing, health insurance, and books.

Each scholarship is a reminder to the recipient that their parent's sacrifice will never be forgotten by a grateful nation.

Dear Applicant:

Based on the information supplied, and assuming your operations will be as stated in your application for recognition of exemption, we have determined you are exempt from federal income tax under section 501(a) of the Internal Revenue Code as an organization described in section 501(c)(3). Our determination is based in part on your representation that you have taken steps to remove, from the Internet, the web site formerly maintained by you that among other things contains a link to a politically partisan organization. Also, regarding your procedures to ensure that your public criticisms or commendations of incumbent candidates are not political intervention, we caution that the determination whether a statement constitutes an intervention depends on all the facts and circumstances—In certain circumstances, a statement critical of an incumbent candidate may constitute an intervention even if the statement does not expressly refer to the individual's candidacy.

Based on the facts and circumstances represented in your request for relief under section 301.9100-3T of the Procedures and Administration Regulations, an extension of the period allowed for the filing of the notice required under section 508(a) of the Code and section 1.508-1(a)(2) of the Income Tax Regulations is granted. Accordingly, your exemption under section 501(c)(3) is effective beginning on January 1, 1997.

We have further determined that you are not a private foundation within the meaning of section 509(a) of the Code, because you are an organization described in the sections indicated above.

Please notify the Ohio Employee Plans/Exempt Organizations (EP/EO) Customer Service office if there is any change in your name, address, sources of support, purposes or method of operation. If you amend your organizational document or bylaws, please send a copy of the amendment to that office. The mailing address is: Internal Revenue Service, EP/EO Customer Service, P.O. Box 2508, Cincinnati, OH 45201.

You are liable for taxes under the Federal Insurance Contributions Act (social security taxes) on remuneration of \$100 or more you pay to each of your employees during a calendar year. You are not liable for the tax imposed under the Federal Unemployment Tax Act.

If you are involved in an excess benefit transaction, that transaction might be subject to the excise taxes of section 4958 of the Code. In this letter we are not determining whether any of your present or proposed arrangements would be considered an excess benefit transaction resulting in tax under section 4958. Additionally, you are not automatically exempt from other federal excise taxes.

Donors may deduct contributions to you as provided in section 170 of the Code. Bequests, legacies, devises, transfers, or gifts to you or for your use are deductible for federal estate and gift tax purposes if they meet the applicable provisions of Code sections 2055, 2106, and 2522.

Donors (including private foundations) may rely on this ruling unless the Internal Revenue Service publishes notice to the contrary. However, if you lose your 509(a) status as indicated above, donors (other than private foundations) may not rely on the classification indicated above if they were in part responsible for, or were aware of, the act that resulted in your loss of such status, or they acquired knowledge that the Internal Revenue Service had given notice that you would be removed from that classification. Private foundations may rely on the classification as long as you were not directly or indirectly controlled by them or by disqualified persons with respect to them. However, private foundations may not rely on the classification indicated above if they acquired knowledge that the Internal Revenue Service had given notice that you would be removed from that classification.

Contribution deductions are allowable to donors only to the extent that their contributions are gifts, with no consideration received. Ticket purchases and similar payments in conjunction with fund-raising events may not necessarily qualify as fully deductible contributions, depending on the circumstances. If your organization conducts fund-raising events such as benefit dinners, shows, membership drives, etc., where something of value is received in return for payments, you are required to provide a written disclosure statement informing the donor of the fair market value of the specific items or services being provided. To do this you should, in advance of the event, determine the fair market value of the benefit received and state it in your fund-raising materials such as solicitations, tickets, and receipts in such a way that the donor can determine how much is deductible and how much is not. Your disclosure statement should be made, at the latest, at the time payment is received. Subject to certain exceptions, your disclosure responsibility applies to any fund-raising circumstance where each complete payment, including the contribution portion, exceeds \$75. In addition, donors must have written substantiation from the charity for any charitable contribution of \$250 or more. For further details regarding these substantiation and disclosure requirements, see the enclosed copy of Publication 1771. For additional guidance in this area, see Publication 1391, Deductibility of Payments Made to Organizations Conducting Fund-Raising Events, which is available at many IRS offices or by calling 1-800-TAX-FORM (1-800-829-3676).

In the heading of this letter we have indicated whether you must file Form 990, Return of Organization Exempt from Income Tax. If "Yes" is indicated, you are required to file Form 990 only if your gross receipts each year are normally more than \$25,000. If your gross receipts each year are not normally more than \$25,000, we ask that you establish that you are not required to file Form 990 by completing Part I of that Form for your first year. Thereafter, you will not be required to file a return until your gross receipts exceed the \$25,000 minimum. For guidance in determining if your gross receipts are "normally" not more than the \$25,000 limit, see the instructions for the Form 990. If a return is required, it must be filed by the 15th day of the fifth month after the end of your annual accounting period. A penalty of \$20 a day is charged when a return is filed late, unless there is reasonable cause for the delay. The maximum penalty charged cannot exceed \$10,000 or 5 percent of your gross receipts for the year, whichever is less. For organizations with gross receipts exceeding \$1,000,000 in any year, the penalty is \$100 per day per return, unless there is reasonable cause for the delay. The maximum penalty for an organization with gross receipts exceeding \$1,000,000 shall not exceed \$50,000. This penalty may also be charged if a return is not complete, so please be sure your return is complete before you file it. Form 990 should be filed with the Ogden Service Center, Ogden, UT 84201-0027.

The law requires you to make your annual return available for public inspection without charge for three years after the due date of the return. You are also required to make available for public inspection a copy of your exemption application, any supporting documents, and this exemption letter to any individual who requests such documents in person or in writing. You can charge only a reasonable fee for reproduction and actual postage costs for the copied materials. The law does not require you to provide copies of public inspection documents that are made widely available, such as by posting them on the

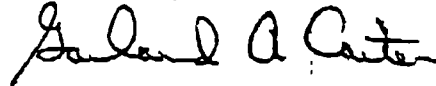

Freedom Alliance

Internet (World Wide Web). You may be liable for a penalty of \$20 for each day you do not make these documents available for public inspection (up to a maximum of \$10,000 in the case of an annual return).

You are not required to file federal income tax returns unless you are subject to the tax on unrelated business income under section 511 of the Code. If you are subject to this tax, you must file an income tax return on Form 990-T, Exempt Organization Business Income Tax Return. In this letter we are not determining whether any of your present or proposed activities are unrelated trade or business as defined in section 513 of the Code.

Please use the employer identification number indicated in the heading of this letter on all returns you file and in all correspondence with the Internal Revenue Service. Because this letter could help resolve any questions about your exempt status, you should keep it in your permanent records. If you have any questions about this letter, or about filing requirements, excise, employment, or other federal taxes, please contact the Ohio EP/EO Customer Service office at 877-829-5500 (a toll free number) or correspond with that office using the address indicated above.

Sincerely,
